NEWS RELEASE

Surveillance Systems Inc. Welcomes Daniel Jackson To Sales Team

(Rocklin, CA) July 17, 2015 –Surveillance Systems Incorporated (SSI) today announced that it has welcomed Daniel Jackson as its new director of technical sales – strategic accounts. The addition comes as SSI is experiencing spectacular growth, with the company seeing more projects and revenue increases. Mr. Jackson assumed the position as of Monday, July 20, 2015.

“Daniel has the right background, technical abilities, and people skills that I know will make him a tremendous asset to the SSI team. We are all excited and welcome him to the family,” said Todd Flowers, President of SSI. “We always aim to exceed our customer’s expectations, and we know that Daniel will strengthen our capabilities to do so.”

Mr. Jackson joins the team after working most recently at North American Video, Inc., where he had hands-on experience with the sales, design, installation, and project management of multimillion-dollar projects. With a long history of experience in the security industry, he was personally responsible for sales to some of the world’s largest casino construction projects, such as the MGM/Mirage City Center. Additionally, his prior projects and positions have required him to work around the world, including locations in Australia, St. Kitts, Aruba, Venezuela, Nicaragua and the Bahamas.

“SSI believes in building long-term relationships with its clients, and that really appeals to me,” said Jackson. “Seeing the success of SSI, it is easy to see how the company is committed to providing the best possible customer experience and cutting-edge system solutions in the sales process, and I am thrilled to be a part of such an amazing team.”

For more information on new security systems or on the advantages of upgrading an existing system with digital, HD, or IP-based surveillance technology, please contact Surveillance Systems Incorporated at (800) 508-6981 or visit the company website at <http://www.ssicctv.com>.
